

Instruments Inc.

PROVIDING QUALITY INSTRUMENTATION AUTOMATION AND REPAIR SERVICES FOR OVER 45 YEARS

Valves and Actuators

High Performance Ball Valves • Control Valves • Diverter Valves
Limit Switches • Electric & Pneumatic Actuators & Positioners

Ball Valves • Flanged Globe/Gate/Check Valves • Cryogenic/Chlorine Fire Safe & Sanitary Valves
Pneumatic & Electric Actuators

A Cameron Company • Gate Valves
Butterfly Valves • Resilient Seated Design for Harsh Service

Pureflex Composite Ball, Butterfly, and Check Valves • ChemTite Valves and Lined Piping

Electric • Pneumatic • Electro-Hydraulic Actuators

A rotork Company

Fluoropolymer Lined Ball, Butterfly, Check and Plug Valves-Diaphragm Valves

Instrumentation

Differential Pressure Gauges • Switches & Flow Indicators 2-1/2" to 6" Sizes • Aluminum, 316SS, Brass

Liquid and Magnetic Level Gages
Guided Wave Radar • Tubular Gage
Level Switches • Steam Gages

Water Chemistry • Sodium • Copper
Ammonia • Silica
Chlorine Analyzer

Dew Point Transmitters • Oxygen Analyzers • Chilled Mirrors
Process Analyzers • Portable Hygrometers • H2S Analyzers

Pressure Gauges • Industrial Bimetal Thermometers
Diaphragm Seals • Remote Thermometers • Transducers
Transmitters • Switches

Compression Tube Fittings • Instrument Pipe and Weld Fittings • Instrument Valves

D/P Gauges • Switches • Flow Meters • Pressure Transmitters
Flow & Level Switches • Control Valves • Air Quality Instruments

RHEONIK

Rheonik Manufacturers the World's
Largest Range of Coriolis Meters
Patented Omega Shaped Design

Eustis PyroCom

Thermocouples • Thermowells
Temperature Switches • RTD's
Connection Heads and Terminal Blocks

Thermal Mass Flow Meters • Insertion
and Inline Meters

McDaniel Controls

Liquid Fillable Pressure Gauges
Quality Construction in All-Stainless and
Brass Ranges from 1.6" of H2O - 60,000
PSI

Pressure Temperature Level and Flow
Switches • Pressure Relief Valves
Pressure Regulators

Sensors • Transmitters • Switches
Mechanical Flow meters • Non-Invasive
Flow Meters

Diaphragm Seals • Pressures to
5000 psig • 316SS • Monel •
Hastelloy C

Pre-Insulated Tubing • Steam Traced
Tubing • Electric Traced Tubing

Flame Detectors • IR3, Multi IR & UVIR
Detectors • Open Path Gas Detectors
Detection & Suppression Systems

Pressure Gauges • Thermometers
Pressure Transmitters • Pressure Switches
Diaphragm Seals

PERMA-CAL INDUSTRIES, INC.
DIRECT DRIVE PRESSURE GAUGES

High Quality Test Gauges for High
Vibration & Pulsation

Instrument Enclosures Designed to Ensure
Safe Operation and Provide Freeze
Protection for Field-Mounted Instruments

Raceway & Channel Track
Instrument Stands • Condensate Pots
Instrumentation Installation Hardware

Steam Traps • Boiler Controls
Flowmeters • Control Valves
Condensate Pumps • Strainers

JMC Shop Services

Valve Automation for Pneumatic Electric or Electro-Hydraulic Actuators • Valve and Actuator Repair • Pressure Temperature Level and Flow Calibrations • O2 Valve Cleaning • Dead Weight Tester Calibrations • NIST Certifications • Gauge and Recorder Specialists
• Service Work Performed at Your Location or in Our Service Center
